*Responsive Reading		Psalm 139:13-18
L: O Lord, for it was you who formed my inward parts; you knit me together in my mother’s womb.		
C: I praise you, for I am fearfully and wonderfully made. Wonderful are your works; that I know very well.		
L: My frame was not hidden from you, when I was being made in secret, intricately woven in the depths of the earth.		
C: Your eyes beheld my unformed substance. In your book were written all the days that were formed for me, when none of them as yet existed.		
L: How weighty to me are your thoughts, O God! How vast is the sum of them!		
All: I try to count them - they are more than the sand; I come to the end - I am still with you.

First Mennonite Church is affiliated with the Central District Conference of Mennonite Church USA. The Mennonites are named after Menno Simons, one of our early church leaders, and are rooted historically in the "Anabaptist" movement, which began in 1525, with origins in Switzerland, Germany, and the Netherlands now reaching around the world. Some primary Anabaptist convictions then and now are following Jesus Christ in service to others, rejection of violence and war, and joyful community life.

MCC's Sharing with Appalachia People is seeking volunteer groups and summer staff. Make your summer plans now to join SWAP in Kentucky or West Virginia, serving with this home repair ministry while learning about life in Appalachia. Groups or individuals can volunteer to serve as week-long volunteers. SWAP is also looking for summer staff to serve as job site coordinators and meals coordinators/cooks for three month assignments. For more information about bringing a group to SWAP or serving as summer staff, visit swap.mcc.org or contact Angela Maggard at AppalachiaAdmin@mcc.org or 606-633-5065.

Rev. Daniel Hughes, Price Hill campus pastor of Shiloh United Methodist Church, Cincinnati, will present, "JUST LOVE - Justice and Love Ignites Faith in the Beloved Community," at 11 a.m. on Tuesday, Jan. 16 in Yoder Recital Hall at Bluffton University. The 2013 Bluffton graduate returns to campus to present the annual Martin Luther King Jr. Day Forum.

Dr. Jonathan Andreas, associate professor of economics at Bluffton University, will present the Colloquium, "Replacing GDP with Median Expected Lifetime Income," at 4 p.m. on Friday, Jan. 19 in Stutzman Lecture Hall. Andreas will discuss MELI, his potential replacement for Gross Domestic Product as the standard measurement for well-being. MELI stands for Median Expected Lifetime Income, and is measured by adding up the median income for every age group in the population weighed by the probability of survival to each specific age. It is an expected value of how much people would earn in a lifetime, if economic conditions persisted as they are in the current year.

"Unconfirmed," an exhibit of artworks by John Dickinson, runs through January 26 in the Grace Albrecht Gallery of Sauder Visual Art Center. Gallery hours are 9 a.m. to 5 p.m. weekly and 1 to 5 p.m. on Saturdays and Sundays.

GRATITUDE AND PRAYERS

Linda Miller fell at home on Monday and was hospitalized overnight at St. Vincent Medical Center, Toledo. She was released Tuesday and continues to recover at home. Her huge headache is slowly diminishing, but she is not yet in good enough shape for visitors. We thank you for your prayers.

minds and hearts. If you have ever considered serving in one of these ministries but haven't been asked, consider this your invitation.
