*First Mennonite Church is affiliated with the Central District Conference of Mennonite Church USA. The Mennonites are named after Menno Simons, one of our early church leaders, and are rooted historically in the “Anabaptist” movement, which began in 1525, with origins in Switzerland, Germany, and the Netherlands now reaching around the world. Some primary Anabaptist convictions then and now are following Jesus Christ in service to others, rejection of violence and war, and joyful community life.*

**“From Swords to Plowshares; Our Process of Transformation...”** is a multi-media art exhibition responding to the RAWtools event during CDC in June, where a blacksmith forged garden tools out of local guns. Twenty-five artists have shared from their collection or created new work on the theme of transformation from violence to peace. The garden tools created at RAWtools are also on display through July, Thursday-Sunday, from 2-5 p.m. at the Grace Albrecht gallery of the Sauder Visual Arts Center at Bluffton University.
